Student Affairs

Dear Jim:

Although approval of the state budget is likely to be delayed, I am prepared to approve allocations at this time contingent upon the outcome of the FY 2008-09 State Budget. Included in this letter are my decisions regarding the Fiscal Year 2008-09 Registration Fee budget allocations based on the recommendations presented to me by the Registration Fee Advisory Committee (RFAC).

These recommendations include allocations designated for funding from Registration Fee Mental Health funds. Due to the late approval of the fee increase, however, it seems likely that there will be additional Mental Health funds available for allocation. For this reason I would like the RFAC to convene as early as possible in the Fall quarter to revisit the status of the Mental Health funding.
